Reserving Your Puppy

We recommend reserving a puppy early. All deposits are non-refundable. Unless stated otherwise, actual puppy choice is in the order that deposits were received. We reserve the right to refuse sale of our puppies.

Payment

A non-refundable \$100 down-payment reserves your puppy. For your convenience, we accept checks, money orders, or cash. The balance is due when you pick up your puppy.

Pick Up At Maple Creek Kennels

Puppies may be picked up from us once they turn 8 weeks of age. You'll receive, shot/worming record, and registration paperwork along with your puppy. Balance of price is due at time of pick-up. We reserve the right to refuse sale of our puppies.

We generally only offer one litter per year. We carefully choose our dams and sires, and feature excellent bloodlines. All litters are registered with AKC, dew claws removed, tails docked, wormed, and given age appropriate shots. You will receive a record of dates and products used & a veterinarian health certificate. You will receive a copy of the parent's pedigree and an AKC puppy registration certificate, which can be submitted to AKC for individual registration of your pup.

All our German Shorthaired Pointer puppies and gundogs are guaranteed to be physically healthy at time of delivery. All shots and worming will be up to date. To validate this policy guarantee you must take your puppy or dog to your veterinarian within two weeks of picking up your puppy or dog.
